"Remembering Saint Andrew"

Words and Music by Tom and Janet Gerbino

1. Saint Andrew's Day has now arrived,
the Patron Saint of Scotland.
He followed Christ and taught His ways,
this simple fisherman.
One legend claims brave Andrew died,
just like our Savior crucified.
Our Patron Saint did spread the word,
that Christ the Son is Lord!
Yes, Christ the Son is Lord!
2. The "X" shaped cross became the weight
that Andrew bore in Greeceland.
His brother Peter then became
the leader of all Christians.
St. Andrew's relics can be found in
many churches the world round.
Such lands as Greece and Russia, too,
Romania to name a few
have chosen Andrew Saint.
Yes, Andrew is their Saint!
3. November thirty is the day
that Andrew's legacy they say,
was one of courage, bravery
as he did fight the enemy.
That sky-blue flag with white cross showing,
keeps our God's teachings ever flowing.
So catch the hare and feast and drink
for Andrew carries forth!
The Lord's Saint carries forth!
